

God's Mission in the Bible

"It's not so much that the Church of God has a Mission, as that the God of Mission has a Church."

Why is mission important? It's not an optional extra, but the fundamental basis of Christian faith. This module will explore the mission of God in the Old and New Testaments, and look at how God called faithful human beings to join with him.

Using a variety of styles, this module will encourage participants to look at familiar Bible stories afresh and see how they connect with the Church's approach to mission today.
