

# Mission in Today's Culture

**Leading Your Church into Growth - This popular course is specifically designed for clergy and lay leaders from across different traditions and denominations who are looking for help and encouragement in leading their churches into growth.**

The 'Mission in Today's Culture' BCD module is based on material used on the national *Leading Your Church into Growth* Conferences and the sessions will take the form of an open seminar with interactive talks, practical exercises and time and space for personal reflection and questions.

*Leading your Church into Growth* is a training programme which takes the mystique out of growth and makes it 'normal' and do-able.
